

PROJECT CHARTER	
<b>Project Name</b>	Rate My Music
<b>Date Produced</b>	October 13, 2021
<b>Project Goals</b>	This project will give music lovers the freedom to express their opinions towards different types of music. It will allow users to build on their ever-expanding libraries of favorite music. We are building this application in an effort to ensure that music lovers are able to keep track of the music they like and dislike, and to ensure that they do not forget the names of their favourite music.
<b>Project Objectives</b>	<ul style="list-style-type: none"> <li>• Allow users to rate the music they wish to, given that the song is in our library.</li> <li>• Give the users a way to create folders/lists to add their favorite music or their new findings.</li> </ul>
<b>Project Budget</b>	\$0 Team's Time
<b>Project Sponsor</b>	Dr. Tim Maciag University of Regina Professor
<b>Project Manager</b>	Arika Pasha Developer
Additional Key Project Stakeholders	
<b>Name</b> Arika Pasha Chirayu Patel Charles Samonte	<b>Role</b> Project Manager, Developer Front-end Developer Back-end Developer
